Location: Chateau Meichtry, 1862 Orchard Lane, Talking Rock, GA 30175

The Chateau is located at 1862 Orchard Lane, Talking Rock, GA – **BUT – and this is a big but you should pay attention to - the nearest actual town is Ellijay. This is about an hour northwest of Atlanta. *Do not trust your GPS as the shortest and fastest path – it will take you on a dirt road!* Go into ELLIJAY and turn right at the Wal-Mart/Starbucks/Comfort Inn. Then follow the GPS to the winery.**

Lodging

- 1. Comfort Inn – 706 515 6000, on the path to the winery across from Wal-Mart. AAA and AARP rates. Approx. 4 miles on paved roads to the winery**
- 2. Best Western – 706 515 1500 1 mile north of the Wal-Mart. AAA and AARP rates**
- 3. Budget Inn – 706 635 5311 – another mile or so north**
- 4. Cabins – the area is dotted with cabins for rent at rates that are usually quite competitive with the hotels. AirBnB, VRBO and about a dozen rental companies can be found on the internet. Get with a few friends from your local society and rent a big cabin for a rose party!**

No outside Alcoholic Beverages are allowed at the winery!

There will be an area at the winery for late night hospitality so bring your goodies and let the Chateau supply the wine and beer.
